

## Welcome Visitors & Emergency Personnel:

Our pets are being cared for by a professional who comes in at various times during the day. Please help us provide the best care for our pets by following these special pet care guidelines:

- ☛ **If a pet escapes, is injured or ill, or is having any issues please call the pet sitter asap at 510-289-5002.**
- ☛ The pet sitter does have our emergency contact numbers. In the case of severe injury, please take our pet to the emergency vet clinic.
- ☛ Please make it obvious that you are here: park in the front, tape a note to the door, and listen for visitors. The police may be called on unexpected visitors. Always carry ID with you.
- ☛ Please do not feed the pets or give them any treats, even nibbles, unless instructed to do so.
- ☛ Please return the radio, tv, lights, windows, doors, fans, and locks to their original settings.
- ☛ Leave a note before you leave each and every visit. A sheet may be provided. Details can be very brief, but please do mark down if:
  - Pet was fed treats or food
  - Pet was given water
  - Plants were watered
  - Pet received a hard workout
  - Pet went potty, which, and at what time
  - Any accidents were cleaned up

Also, please mark down your name, arrival and departure times, and any future visits.

- ☛ Locate each pet, and check to see that no pets have escaped out the door or into a forbidden area (such as a closet) **each time** before you leave.
